ITEMS FOR BOARD REVIEW, DISCUSSION AND POSSIBLE ACTION

Limited License Podiatric Radiology Certification for Medical Assistants

The Board noted that at its June 12, 2019, meeting it requested that Dr. Forman draft a letter regarding its concerns that the Medical Radiologic Technical Board of Examiners (MRTBE) was absorbed by the Arizona Department of Health Services, Bureau of Special Licensing. The Arizona Department of Health Services, Bureau of Special Licensing requires that podiatric medical assistants complete a comprehensive exam that is not specific to the podiatry profession in order to gain certification to take radiographs. Board members expressed concern that this requirement will affect the amount of podiatric medical assistants that can gain certification to take radiographs, which, in turn, will affect many podiatric practices. Board members reviewed and discussed the letter in which Dr. Forman drafted. After deliberation, Dr. Leonetti made a motion, seconded by Dr. Forman, to approve the letter to send to the Arizona Department of Health Services, Bureau of Special Licensing. The motion carried unanimously, 4-0.

Authorizing the Board’s Executive Director to Grant Extensions for Licensees to Complete the Three Hour Opioid Continuing Education Requirement

Ms. Broaddus provided a summary stating that many licensees are unaware of the three-hour continuing education requirement in opioid related issues. Ms. Broaddus indicated that the deadline for the continuing education is approaching and there is concern that licensees may be out of compliance. Ms. Broaddus requested that the Board grant her the authority to grant a 60-day extension of time for those licensees that submit their renewal timely but are unaware of the three-hour continuing education requirement in opioid related issues. After deliberation, Dr. Leonetti made a motion, seconded by Dr. Forman, to authorize the Board’s Executive Director to grant a 60-day extension of time to complete the three-hour continuing education requirement in opioid related issues for those licensees that submit a timely renewal but are unaware of the requirement.
