Once all necessary information is received, you will be notified, in writing, that your application is complete. The next step will be for the Board to review your application and vote whether or not to approve or deny your application.

After, your application has been approved you must submit the license issuance fee of \$225.00 within one (1) year from the date of your approval. If you do not submit the license issuance fee during that time, your application will be considered withdrawn. If you wish to obtain a podiatric license in the State of Arizona after that time, you will be required to start the application process over again.

NOTICE REGARDING TIME FRAMES FOR REVIEWING AND APPROVING NEW LICENSE APPLICATIONS

There are three time frames involved in reviewing your license application. The first is called the “Administrative Completeness Review” and is defined as, “the number of days from the agency receipt of an application until the agency determines that the application contains all components required by statute or rule, including all information required to be submitted by other agencies/entities.” (A.R.S. §41-1072(1)). Under the Board’s regulations, Board staff will complete this review within 30 days from the date of receipt. If, after this review, Board staff notes any deficiencies within your application materials, the administrative time period is suspended from the date of notice to you of your deficiencies.

The second time period is the “Substantive Review” and is defined as, “the number of days after the completion of the Administrative Completeness Review time frame during which an agency determines whether an application or applicant for a license meets all substantive criteria required by statute or rule.” (A.R.S. §41-1072(3)). Under the Board’s regulations, the Board and its staff has 60 days to complete this review. Again, the Board may or may not identify deficiencies or request additional information. If you are notified, in writing, of any deficiencies or requests, during this period, the time period is suspended from the date of the Board’s notice until all information is received.

Together, these time periods are known as the “Overall Time Frame” (A.R.S. §41-1072(2)). If the Board fails to issue you a written notice either approving or denying your application, or notifying you of a deficiency, within the Overall Time Frame, we are required to refund your application fee (A.R.S. §41-1077).

PLEASE NOTE: All fees are non-refundable, pursuant to A.A.C. R4-25-103.
